## **OSRAM**

# LEDinspect TORCH 350 ESSENTIAL

Bright LED output
350 Lumen output to illuminate the dark
effortlessly

2x AA Batteries included
Includes the replaceable AAA batteries
required

**Ergonomic grip**For comfortable holding during use

### 350 Lumen adjustable torch for versatile use

The OSRAM LEDinspect™ TORCH 350 ESSENTIAL is a reliable and high-performance LED torch, designed to deliver powerful illumination in a durable and practical design. Constructed from aluminium with a rubber grip, it offers a comfortable hold, making it perfect for both professional and everyday use.

With an impressive 350 lumens on High, this torch provides bright, clear lighting for detailed inspections, repairs, and outdoor activities. The adjustable focus allows you to seamlessly switch between a wide flood beam and a focused spotlight by simply twisting the head. Three versatile lighting modes – High, Low, and Flash – ensure adaptability for different situations.

Built for tough environments, the IP44 rating offers resistance against dust and water splashes, ensuring reliability in various conditions. Powered by 2x AA batteries, it delivers up to 2.5 hours of runtime on High and an extended 13 hours on Low, giving you long-lasting performance when you need it most.
